*"People helping people Since 1960"*

479 Main Street ~ Manchester, CT 06040 ~ 860-649-7922

Dear MMFCU Members,

The past few weeks have been unsettling for us all. At this time of uncertainty, we want to reassure you that we will continue to deliver you the same financial services that you have always known. We all may need to adjust the way that we normally do things until this "New Normal" subsides.

To provide the safest level of service we have decided that it is best to stagger our staff and limit the amount of exposure to the public. If any staff member feels sick, they will be required to stay home until cleared by a doctor that it is safe to return to work. We are following all safety procedures put forth by the CDC, state and local government.

We ask for your safety and ours that you try to do as many transactions as possible from home. Any business or transactions that must be conducted at the Credit Union, we ask that you call the Credit Union and set up an appointment. The building is locked to the public, but we will gladly meet you at the door!

Our motto "People Helping People" has never been as greatly tested as it is now. Rest assured that we will continue to put our members safety and financial needs first. Working together we will get thru this difficult time. We thank you for your patience and understanding.

Stay safe and stay healthy,

Your MMFCU Staff
