

Introducing My Mobile Money App!

Control at your Fingertips!

Your Card, on your terms.

Manage your card usage through your mobile device by defining when, where and how your payment card is used. It's simple, just follow the instructions below:

1. Visit the App Store or Google Play, search and then download "My Mobile Money Access".
2. Have your new card handy and click the "Sign Up Free" button.
3. Enter card information/your information.
4. Read and accept the e-sign agreement and privacy/security policy
5. Enter your email address and create your user ID/Password.

Visit www.mymobilemoneyapp.com for all the details.
